 - Rigging Certification/Training
 - Current ADC Card

Physical Requirements:

- Must be able to dive into waters at all depths, temperatures, and visibility conditions.
- Must be able to remain underwater for prolonged periods of time.
- Must be able to repetitively lift 50 pounds at a time.
- Must be able to wear a commercial diving hat (25-30lbs) for approximately 4hrs daily.
- Must be able to work outside in all weather conditions; rain, sleet, snow, heat, storms, etc.

Safety Sensitive Position

This is a Safety Sensitive Position requiring work on project sites, including federal projects, and construction diving. Project sites contain various safety hazards associated with heavy construction. This position may require working at heights, in confined spaces, around heavy equipment, and under constantly changing circumstances, in addition to completing underwater construction activities. This position may also entail project site work at night and on weekends on an as needed basis. This position will be subject to more stringent drug testing and compliance policies associated with our status as a Federal Contractor.

Special Note:

This job description is presented as guidance only, other reasonable tasks or responsibilities as management sees necessary may be added to this job description in order to achieve satisfactory job performance by the team member.

EEO Statement:

Brayman and Affiliate Companies are Equal Opportunity Employers. All qualified applicants will receive consideration for employment without regard to their race, color, religion, sex, sexual orientation, gender identity, national origin, age, genetic information, disability, veteran status, or on any other characteristic protected by law.
